# PHARMACY CHANGES

The agreement between the GP Partnership and Alchemy Pharmaceuticals Ltd (operating as St George's Pharmacy) has been terminated. Alchemy will no longer be dispensing from these premises.

We understand that many of our patients used this pharmacy for prescriptions and have found it particularly useful for out of hours. We are very sorry for any inconvenience that has been caused. We are unclear of Alchemy's plans, but they can be contacted through our Dispensary. Please contact our Dispensary staff if you have any concerns.

There are a few other options that you might like to consider for your repeat medication:-

- If you fit the "dispensing criteria" you can collect your medication from our Dispensary at the surgery. We also deliver to Southery once a week - for more information talk to one of our Dispensary staff.
- Other pharmacies that offer a repeat prescription service, including late nights or home delivery are: Boots (Ely), Lloyds (Littleport and Ely), Sainsbury's (Ely), St Mary's Pharmacy (Ely) and Tesco (Ely).

## St George's Patient Group

The AGM saw the departure of Kate Massey as the Chair of the Patient Group. Mrs Massey was thanked for her hard work in setting up the group and was wished all good fortune for her move to Norwich. The new Chair is Elizabeth Wilkinson from Southery.

We are looking to expand our email

group of patients -

this doesn't mean you will get loads of emails, but we sometimes like to share information and this is a quick and easy way to get to lots of people. The more people in the group the more likely we are to get a good cross section of the patient population. If you are interested, then simply complete the "Contact Us" details on the Patient and Carer Group page of our website.

We are also building a Carers email group to keep carers up to date with services and information. If you are a carer and have not informed the practice staff please complete and return this form - or complete a form online.
